

The North Orange County Senior Collaborative is pleased to present noted speaker and Occupational Therapist, Debbie Ricker who will be presenting our December Educational Forum on "Senior Driving Concerns", how to recognize them, how to discuss them with your clients and what can be done to remedy their concerns and situations. Please save the date and join us on Tuesday, December 16th for this helpful and informative presentation! RSVP to: Karyl.Dupee@stjoe.org and save your spot now!

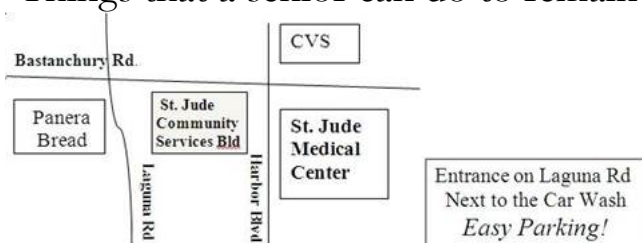

North Orange County Senior Collaborative Educational Forum

Senior Driving Concerns. . . We Need to Talk!

Please join us if you would like to know:

- About unsafe driving warning signs to look for in your clients
- How to tell when a referral to a driving assessment center is necessary
- Tips on talking to a senior or family member when there is a concern about driving
- Things that a senior can do to remain a *safe* driver

When: Tuesday / December 16, 2014

Time: 8:30AM – 10:00AM

Where: St. Jude Community Services Building
130 W. Bastanchury Rd. Fullerton, CA

RSVP: Karyl.Dupee@stjoe.org or 714-446-7035

Driving is a privilege, not a right

It is essential for us to make sure that our clients and our loved ones are driving safely as they age. Learn how to identify the signs that point to an older adult being “the talk”.
