New Business

Mark Mentioned that Raytheon hosts a caregiver support group for their employees during lunch time hours. Mark briefly spoke about senior care 101 to the group. He was also proposed the concept of hosting a small resource fair there. Mark will initiate the email introduction. Proposed date August 14th from 1130 -1pm.

This is How we Do It

Dan requested the following questions be addressed that were submitted.

- 7) What transportation resources are available for low income.
- 12) Are personnel pendants still relevant with todays technology?
- 17) Is there a glossary of terms with all of the terms I come across? (ie. POA / SNF)
- 21) Where do I start when making a large family move?

Kyle will connect Dan with Stephen from Helping Hands Senior Foundation.

Dan Mentioned the thought to be connected to a driver's training program for seniors along with a representative from driverless cars to help predict the future of senior transportation.

Karly will have Leslie review the guide for the transportation section. Linda mentioned that Access OC was brought up at the last Senior Care 101 class.

Senior Care 101

Karly will be adding a glossary of terms to the next Resource guide. Other than that, not much changes.

She asked us to inform her of any inadequacies to update the next issue.

The last 30 minutes was used to discuss updated / changes to the layout of the Resource guide.
